Distributing NSFA monthly member e-newsletters:

- We would prefer NSFA distribute e-newsletters directly to our members. We will provide our database to NSFA.
- We are willing to distribute the e-newsletter to our members.

It is our understanding that the mission of the National School Foundation Association is to promote the organization, development and success of each K-12 school foundation and its respective partner school and school district. We attest that said stated mission does not present a conflict with the stated mission and underlying vision of our own organization.
